EXPERIENCE

Building Projects, Chicago— *Front-End Dev*

June 2020 - PRESENT

Teaching myself how to create amazing web apps.

Contract Work, Chicago— *Technical Writer*

December 2019 - May 2020

I was hired by multiple companies to write technical documentation of various kinds. Most were whitepapers based on technical research like this [one](#).

BigMarker, Chicago— *SaaS Sales Rep*

July 2019 - November 2019

I worked on commission to stir up some business for our high-end packages through prospecting, demoing, and negotiating with customers.
